EXPERIENCE:

STUDENT, GENERAL ASSEMBLY

New York, NY

Web Development Immersive

Oct 2015 – Jan 2016

- **Project 1** | Developed a creative single-user interactive Simon-spinoff game using HTML, CSS & JavaScript
- **Project 2** | Created a full-stacks Wiki-esque app using Ruby, HTML, JavaScript, SQLite3 databases and CSS where users can create, view and update forum posts
- **Project 3** | Built a full-stacks homework submissions app using Ruby on Rails, HTML, CSS, JavaScript, JQuery, and AJAX where instructors can create and manage homework submissions for entire courses, and students can post assignments and check their grades
- **Project 4** | In progress

SPECIAL EDUCATION TEACHER, P.S. 373K

Brooklyn, NY

N.Y.C. Teaching Fellowship

Jun 2014 – May 2015

Planned lessons, delivered instruction & evaluated the needs of students with low-functioning Autism | Managed a team of four classroom staff members to ensure each student's individual education needs were being met | Created legal documents for students, including Individualized Education Plans and Functional Behavior Assessments while collecting & tracking data to show progress for each

CONFERENCE COORDINATOR, CLAREMONT MCKENNA COLLEGE

Claremont, CA

Office of Campus Events

Summer 2012 & Summer 2013

Coordinated the stays of camps and conferences visiting campus, organizing their events, reserving spaces, coordinating event set-up and more | Established and maintained strong connections and communications with clients throughout the duration of the summer, dealing with P.R. and Human Resource related tasks
